PROCEDURE

01 Blend dry ingredients together on low speed for 2 min. Add butter, egg, glycerine, oil and vanilla to bowl, mix on low speed for 1 min, scrape bowl. Mix additional 1-2 min on low speed until combined. Slowly add chocolate chips, mixing until just combined, approx. 30 seconds.

02 Using 40# disher, scoop cookies onto lined baking sheet; round and flatten slightly by hand to create cleaner shape. Bake at 375°F for 10 min.

03 Cool cookies on baking sheet for 5 min, then transfer to cooling rack to cool completely, approx. 20 min.
